

INTIME 1000

Comfort whenever you need it 3 Motorized Bed “INTIME 1000”

INTIME Series is the electrical adjustable bed which will provide not only superior and comfortable sleep, but also ideal positions for relaxing while you are awake.

We at PARAMOUNT BED, being the top manufacturer of hospital and homecare beds in Japan, selected unsurpassed features and superior quality for the INTIME line.

INTIME 1000 will enhance your quality of life.

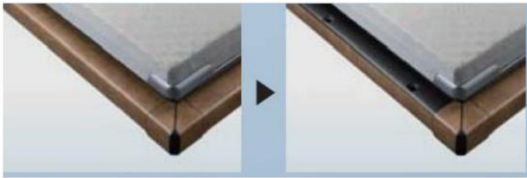

Advanced Functions to Provide Maximum Comfort through Paramount Bed's Innovative Technology

- 1 身体がズレないように、まず膝をあげてから背が運動してあたり始めます。
- 2 膝あげが一旦停止します。背はそのままあたりつづけます。
- 3 上体を起こしながら、膝をさげて圧迫感を軽減します。
- 4 膝がさがり切り、安定した姿勢で起きあがれます。

2 Exquisite Design meets Superior Quality that adds to a Room's Interior Look

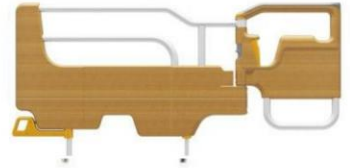

Careful thought has been put into the design of even the fine details. For example, the attachment holes for the additional accessories can be concealed out of sight when the bed rails are not being used.
